To the Shareholders and, for information purposes only, to the holders of options granted by the Company

Dear Shareholder,

Introduction and background to the General Meeting

As reported in the trading update published today, unless the Group is able to accelerate the current rate of pipeline conversion, the Group expects to raise additional equity during Quarter 1 or early Quarter 2 of the current financial period ending 30 June 2019.

In order to enable the Company to be in a position to be able to raise funds for the Company without undue delay and for the Board to have the flexibility to respond quickly to favourable market opportunities, the Board is seeking now to increase their authority to allot shares in the Company, and for authorisation to allot those shares as if the statutory pre-emption rights set out in the Companies Act 2006 do not apply.

The Board is seeking authority to allot shares of up to an aggregate nominal value of £1,000,000. This will give the Board capacity to allot up to 200,000,000 Ordinary Shares of 0.5 pence each. The Directors are currently authorised to allot shares up to an aggregate nominal amount of £100,000 for cash. Authorities are proposed so that the Directors are free to allot shares up to an aggregate nominal amount of £1,000,000 and these authorities shall expire on the earlier of five years from the date of the passing of the relevant Resolution and the next Annual General Meeting of the Company.

Resolutions

A notice convening the GM to be held at Jurys Inn, Clarendon Road, Watford, Herts WD17 1JA at 11 am on 30 August 2018 is set out at the end of this document. At the GM, the following Resolutions will be proposed:-

1. A resolution set out in Resolution 1 to authorise the directors to allot shares; and
2. A resolution set out in Resolution 2 to dis-apply statutory pre-emption rights.

Action to be taken

A Form of Proxy is enclosed for use at the GM. Whether or not you intend to be present at the meeting you are requested to complete, sign and return the Form of Proxy as soon as possible but in any event so as to arrive not later than 11am on 28 August 2018 in accordance with the notes to the form of proxy. The completion and return of a Form of Proxy will not preclude you from attending the meeting and voting in person should you subsequently wish to do so. I would like to draw your attention to the detailed notes to the Notice of GM and Form of Proxy.

Recommendation

The Directors unanimously recommend the Shareholders to vote in favour of the Resolutions as they intend to do so in respect of their own beneficial holdings of 63,099,330 Ordinary Shares representing 33.2% of the issued share capital.

Yours sincerely,

Bruce Gordon

Chairman

Notes

Entitlement to attend and vote

1. The right to vote at the meeting is determined by reference to the register of members of the Company. Only those shareholders registered in the register of members of the Company 48 hours (excluding non-working days) prior to the date and time of the meeting (or, if the meeting is adjourned, 48 hours (excluding non-working days) before the date and time of the adjourned meeting) shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries in the register of members of the Company after that time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the meeting.

Proxies

2. A shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend and to speak and vote at the meeting. A proxy need not be a shareholder of the Company.

A shareholder may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which when taken together with the numbers of shares set out in the other proxy appointments is in excess of the number of shares held by the shareholder may result in the proxy appointment being invalid.

A proxy may only be appointed in accordance with the procedures set out in notes 3 to 4 below and the notes to the proxy form.

The appointment of a proxy will not preclude a shareholder from attending and voting in person at the meeting.

3. A form of proxy is enclosed. When appointing more than one proxy, complete a separate proxy form in relation to each appointment. Additional proxy forms may be obtained by contacting the Company's registrar on 01252 821390 or the proxy form may be copied. Calls are charged at your network provider's standard rates. If you are outside the United Kingdom please call +44 1252 821390. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00am - 5.30pm, Monday to Friday, excluding public holidays in England and Wales. State clearly on each proxy form the number of shares in relation to which the proxy is appointed.

To be valid, a proxy form must be received by post or (during normal business hours only) by hand at the offices of the Company's registrar, The Courtyard, 17 West Street, Farnham, Surrey GU9 7DR no later than 48 hours (excluding non-working days) before the time of the meeting (or, if the meeting is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting).

4. CREST members who wish to appoint a proxy or proxies for the meeting (or any adjournment of it) through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so

as to be received by Share Registrars Limited no later than 48 hours (excluding non-working days) prior to the meeting or, if the meeting is adjourned, no later than 48 hours (excluding non-working days) before the time of any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Share Registrars Limited is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

5. A shareholder which is a corporation may authorise one or more persons to act as its representative(s) at the meeting. Each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual shareholder, provided that (where there is more than one representative and the vote is otherwise than on a show of hands) they do not do so in relation to the same shares.

Total voting rights

6. As at the close of business on 3 August 2018 (being the last practicable date before the publication of this notice), the Company's issued share capital consists of 190,254,867 ordinary shares of 0.5 pence each, carrying one vote each, and 44,004,867 deferred shares of 4.5 pence each, carrying no rights to attend and/or vote at the meeting. Calls outside the United Kingdom will be charged at the applicable international rate. The helpline is open between 9.00am - 5.30pm, Monday to Friday, excluding public holidays in England and Wales.

No other methods of communication will be accepted. Any electronic communication sent by a shareholder to the Company or the registrar which is found to contain a virus will not be accepted by the Company.
